Cloudy every morning  
Sun don't never shine  
Cloudy every morning  
Sun don't ever shine  
Since I lost my baby  
I been losing my mind  
I thought this was a warm place  
I must be in the wrong place  
Thought this was a warm place  
I must be in the wrong place  
And I don't know where I'm going  
Since my lover left me  
Never no smile on my face  
I am he is you are he is you are me and we are all together, woah woah  
Buddy, this ain't LA  
I've travelled such a long way  
Buddy, this ain't LA  
I've travelled such a long way  
And I still don't know where I'm going  
But without my baby  
I better not stay  
I better not stay, no ow woah no
