

# Chicago, What Can I Say

Lonely nights; empty days, use me up so many ways.  
You came along and stole my heart away.  
I just wanna hold you darlin', tonight,  
knowin' that the love between us is right.  
I can't believe that you'd ever let me go; oh, no.

[Chorus:]

What can I say? What can I do? I'm so in love with you.  
Got to be strong; but, for how long must I have this feeling?  
Won't go away.

Take me back to yesterday, I just wanna fade away  
Closer to you than what we used to be.  
Are we really gonna let it die? Close the book and give it one more try.  
I can't believe that you'd ever let me go; oh, no.

[Chorus]
