

Chicago, What You're Missing

All we wanted was each other; nothin' more.
You were looking for an answer; you were out the door.
I didn't know what you were after. I knew you had to take a chance, girl.
Did you forget about the laughter? Say oh, oh no.

[Chorus:]

Oo, what you're missing could have been yours from the start.
You won't listen when it's coming from the heart.
Now you're missing me.
You'll find that out when we're apart.

Had some crazy conversations. You know they seemed so right.
Remember how it used to keep us up all night?
I didn't know what you were after. Maybe there never was an answer.
Did you forget about the laughter? Say oh, oh no.

[Chorus]
