

Chicks On Speed, Culture Vulture

You ask me what I did today but Im not gonna say

I was watching something in a really really really big way

Im asking you questions better tell me something good

Fifteen minutes aint fast enough

Culture vulture

Smashing things on the weekends to get my kind of thrills

Smashing things on the weekends to get my thrills

I use sensation to get my stimulation

My stimulation it spells sensation

I need sensation to get my stimulation

My stimulation is spells sensation

More, more, more of what?

I need sensation to get my stimulation

My stimulation is spells sensation

More more, more of what?

Another necessity left here on the shelf

Do it fast or just tag along

Another necessity left here on the shelf

Do it fast or just tag along

In the evening when I come home

You ask me what? What did I say?

Well, Im not gonna say

Anno dommini but add another d

Attention deficiency, thats me

Im the disease of the century but I dont care

Anno dommini but add another d

Attention deficiency, that's me

I'm the disease of the century but I don't care

Stop flicking my channels with your remote control

Stop flicking my channels with your remote control

Stop flicking my channels with your remote control

Defining the world through regurgitated, updated, mediocre, mainstream
media information

that smacks of sensation

You ask me what I did today but I'm not gonna say

I was watching something in a really really really big way

Culture vulture

Hey you culture vultures

You ask me what I did today but I'm not gonna say

I was watching something in a really really really big way

Culture vulture

Hey you culture vultures

You ask me what I did today but I'm not gonna say

I was watching something in a really really really big way

Culture vulture

Hey you culture vultures
