I don't want no sex so ho get on your knees
Baby, you won't regret the day that you fuck me
But you gotta hold my pistol and my weed
Man, I wish a nigga would try me
He gonna need a morgue no iv
Let five shots off, he got hit with bout 3
Now I got 22 left and about 3

Sosa how many chains you got on, about 3
I don't stay in one house, I bought 3
There's 3 nigga in your house in the orders of me
And they all shooting boy they ready for anything
I bought 3 pounds of weed and 3 pints of lean

Just suck my dick from the side baby
Or don't hop in my ride baby
