It ain't just me girl, still I'm Almighty Sosa  
It ain't just me girl, that's the type of shit you gotta take notes of

It ain't just me girl, I'm still pourin' 4's up  
I'm still smoking dope when I'm not suppose to  
Put this Glock to ya brain, let it blow  
Now I got yo blood, over these Balenciaga's  
That I just paid 6 double O fo'

I ain't scared of no nigga that can bleed all over me  
It's about money then I'll be all over it  
Smoking weed with THC all over it  
Boy yo weed got seeds all over it  
Like Tony Montana who I trust me
