

# Children Of Bodom, Knuckleduster

What, say one word and you die  
And I'll make you see  
Your real fucking plastic pain  
You, you never see the death  
I outta show you it  
And together I shall kill the fucking bitch  
Go!

So, you better step back  
Cause I ain't gonna tell  
To why you ? pain  
What, and all I say is strong  
To you and your whore  
I tell you I gonna kick you down

And now I'll broke down  
Feel in together world  
I'll take it to me  
Let's slow this fucker down

(Hey), do you never let it go ? my toward pain  
If I tell, knuckleduster beat you six feed under  
(So), so I kill you as fucking insane and I swear you see it again  
Did you know, knuckleduster beat you six feed under

And now I'll broke down  
Feel in together world  
I'll take it to me  
Never be some I afraid

(Hey), do you never let it go ? my toward pain  
If I tell, knuckleduster beat you six feed under  
(So), so I kill you as fucking insane and I swear you see it again  
Did you know, knuckleduster beat you six feet under
