

# Chilitoy, Do You Remember Me?

Do you remember me  
Your dream just fantasy  
Do you remember  
(Amber, Amber)

Is this amazing plot?  
These things that we've got  
No it's not, no it's not  
No it's not

It's hard to say  
But I've played  
these feelings all the time  
I want to say that im ok but  
Really im not

You were the best ive known  
couse you tried very well  
very, well, very well

You promised me a lot  
some things and dirty games  
funny things, funny games, dirty games

You were so stupid thinking that  
I'm not supposed to know  
But may I tell tell you you what  
You were very, very wrong

I do changed your heart

Do you remember me, you were my energy,  
but all i have is childhood fantasy

Do you remember me,  
last step before we met,  
I bet you dont but I was  
Really bored

I was the stupid young  
With million thoughts at the time,  
At the time, million times

It's hard to say  
But I've played  
These feelings all the time  
I want to say that I'm OK  
But really I'm not

Do you remember me, you were my energy,  
but all i have is childhood fantasy

I feel, i stil, feel ya'

Do you remember me,  
Your dream, just fantasy  
My name is Amber, Amber, Amber

I will let you live,  
You always played with me,  
Always me, always me

You know im happy with some other different guy  
You know im happy with some other different...

Guy!
