

# Chimaira, Fascination Street

oh it's opening time down on fascination street  
so let's cut the conversation and get out for a  
bit because i feel it all fading and paling and i'm  
begging to drag you down with me to kick the  
last nail in yeah i like you in that like i like you  
to scream but if you open your mouth then i  
cant be responsible for quite what goes in or  
to care what comes out so just pull on your hair  
just pull on your pout and let's move to the beat  
like we know that it's over if you slip going  
under slip over my shoulder so just pull on your  
face just pull on your feet and let's hit opening  
time down on fascination street  
so pull on your hair pull on your pout cut the  
conversation just open your mouth pull on your  
face pull on your feet and let's hit opening time  
down on fascination street
