

Chimaira, Let Go (Demo)

My scabs are almost picked
Slowly growing into this
Feelings I just can't let go
I am such a bore, that you need that much more
Go back that way and see what you get from me then

Nothing at all

My dead hands rise
Why am I this way?
Am I this way
Am I this way
Am I

Face my past, face my past, I can't let go
Face my past, face my past, I can't let go
Face my past, face my past

I see them in the jel
Laughing at me it is hell
Nothing can stop this torture
Fake my way through life
Call on me, my wife
Went back that way and I saw just what I was worth

Nothing at all

My dead hands rise
Why am I this way?
Am I this way
Am I this way
Am I

Face my past, face my past, I can't let go
Face my past, face my past, I can't let go
Face my past, face my past, I can't let go
Face my past, face my past

I won't take no
I won't take no (No!)
I won't take no for an answer
I won't take no
I won't take no (No!)
I won't take no for an answer

(Don't suffer me bitch, you can't suffer me
Don't suffer me bitch, you can't suffer me
Don't suffer me bitch, you can't suffer me
Don't suffer me bitch, you can't suffer me)

I won't take no
I won't take no (No!)
I won't take no for an answer
I won't take no
I won't take no (No!)
I won't take no for an answer

My scabs are almost picked
Slowly growing into this
Feelings I just can't let go
Well, I am such a bore, that you need that much more
Go back that way and see what you get from me then

Why am I this way?

Am I this way
Am I this way
Am I

Face my past, face my past, I can't let go
Face my past, face my past, I can't let go
Face my past, face my past, I can't let go
Face my past, face my past, I can't let go
