

China Crisis, A Golden Handshake For Every Daughter

China Crisis

Working With Fire And Steel Possible Pop Songs, Vol. 2

A Golden Handshake For Every Daughter

We sat by the river

Talking for hours

I cried myself to sleep

Push me gently

Ever so gently

The water's far too deep

Some say, some say tomorrow

Hide behind, hide behind your sorrow

A golden handshake for every daughter

And a piece of the wedding cake

Run from your houses

And your summer lovers

Love is all you can take
