

China Crisis, The Gates Of Door To Door

China Crisis

Working With Fire And Steel Possible Pop Songs, Vol. 2

The Gates Of Door To Door

She, sleep, dreams of childhood

Waiting in the fields

First love kept secret

Hide behind the tree

She dreams of childhood

And i dream of her

She, sleep, dreams of leaving

Drives past her friends

The rain fell so heavy

She could not see me there

She dreams of leaving

And i dream of her
