

China Crisis, Wishful Thinking

Its time we should talk about it
Theres no secret kept in here
Forgive me for asking
Now wipe away your tears
And if i wish to stop it all
And if i wish to comfort the fall
Its just wishful thinking
I sat on the roof
And watched the day go by
I see the likeness in his smile and the way he stands
Makes it all worthwhile
And if i wish to stop it all
And if i wish to comfort the fall
Its just wishful thinking
