Chloe Howl, No Strings

We're both there at the same time, we both go Don't need to talk to each other, we got codes Have a bit too much to drink, say hello We're gonna go home together We really should know better

But fuck your no strings
And your 'hey I'll ring'
But I'm, but I'm imagining things
No strings, kinda hope I have twins
Come on, come on, am I imagining something?
You can't win at all
And the trouble with no strings is you can only fall

They're playing our favourite song You come dance near me but not for long You know sometimes I think you're so immature Don't know what trip you're on Don't even know if I'm the right sex You don't even know if I'm the right sex, do ya?

Fuck your no strings
And your 'hey I'll ring'
But I'm, but I'm imagining things
No strings, kinda hope I have twins
Come on, come on, am I imagining something?
You can't win at all
And the trouble with no strings is you can only fall

With all this love you're unprotecting I'd hate to think of what you're collecting The novelty's worn You can't get it for nothing So let's put this to bed, put this to bed Without crawling in your bed

But fuck your no strings
And your 'hey I'll ring'
But I'm, but I'm imagining things
No strings, kinda hope I have twins
Come on, come on, am I imagining something?
You can't win at all
And the trouble with no strings is you can only fall

No more crawlin' in your bed

Fuck your no strings
And your 'hey I'll ring'
But I'm, but I'm imagining things
No strings, kinda hope I have twins
Come on, come on, am I imagining something?
You can't win at all
And the trouble with no strings is you can only fall
