

CHORZY, Moves like Pharrell

When your mood is bad
And everybody wanna put you down
And only Farel?s gonna make you hot
Right in the middle of your perfect town
Get up and move HAPPY
Get up and move HAPPY
It doesn?t matter how crappy
Is your dance routine
Together we?ll be a sex machine

Alnost like Pharrell Williams
Everybody wanna be like?
Like him, like him
If you wanna fly like a hot air balloon
Keep on moving ?til you hit the roof!

Stupid cams
On the boulevard
For million likes

Not enough
It?s not enough
I?m not enough
Get the chance
Keep on dancing ?til you break the legs
Not enough
It?s not enough
I?m not enough
Not enough
Not enough

Not enough
Not enough

Dance Macabre!
Harlem Shake!

Stóp masaż
Najlepszy antydepresant
Kiedy w robocie motywacji brak
Feralny Farel dawno przestał grzać
Wstawaj i rób happy
Olej prace i kręć film
Lepszy bądź od yuppie
Niech zawala się dachy w twój mentalny dól!
Takie tam na tle pustych bram i panoram
Takie tam, Takie tam, Takie tańcz
Głupia tańcz, niech ogląda ciebie cały świat
Takie tam, Takie tańcz, cały świat
Takie tam, Takie tam,
Takie tam, Takie tam,
Takie tam, Takie tam,
Takie tam, Takie tam,

Flesh mob!
Cause I?m not happy
Cry along and make a film and put it in your folder fap
I?m not happy
Cry along and try to swing though the only swing is a tram

Stupid cams
On the boulevard
For million likes
