

# Chris And Conrad, Sing Hallelujah

Breathing seems harder now  
Life will all but last  
And all at once the pleasure is gone  
It's so predictable  
But now I see  
I will forever sing  
Sing Hallelujah  
My hearts ready  
Ready for you  
I am captured in your majesty  
Beautiful Saviour  
I surrender  
You are my King  
I am captured in your majesty  
Sing Hallelujah  
I'm lost inside your words  
Enough to change my soul  
And all at once my pride fades  
It's so unpredictable  
You're my joy  
Forever I'll be where you are  
Sing Hallelujah  
My hearts ready  
Ready for you  
I am captured in your majesty  
Beautiful Saviour  
I surrender  
You are my King  
I am captured in your majesty  
Sing Hallelujah  
Sing Hallelujah  
Sing Hallelujah  
Oh yah  
I'm living in the wonder of all your ways  
My heart will worship for all my days  
Only you (Aw yah) Only you  
Cause you're my joy  
Forever I'll be where you are  
Sing Hallelujah  
My hearts ready  
Ready for you  
I am captured in your majesty  
Beautiful Saviour  
I surrender  
You are my King  
I am captured in your majesty  
Only your majesty  
(I'll sing Hallelujah)  
I'm living in the wonder of all your ways  
My heart will worship for all my days  
For only you (only you)  
Only you (only you)
