You hurt me yesterday
I didn't know what to say
You didn't have to be so mean
You didn't have to make a scene
You don't have to be so cruel
You made me feel like a fool
I heard some things about you
They said you was untrue
I told them, then why is it so?
You hurt me yesterday
I didn't know what to say
You didn't have to be so mean
You didn't have to make a scene
You don't have to act so cool
 I know that you've been to school
I started to feel unloved
I had no place to go
I turned on the radio
You hurt me yesterday
I didn't know what to say
You didn't have to be so mean
You didn't have to make a scene
Don't have to be so cruel
Made me feel like a fool
I heard some things about you
They said you was untrue
I told them, then why is it so?
