

# Chris Brown Feat. will.i.am, Picture Perfect

Uh oh, uh oh, uh oh, uh oh  
You might've seen her on every cover  
Of every magazine  
But can't nobody get her but me  
Uh oh, there she go  
Uh oh, there she go  
Uh oh, there she go  
Can't nobody get her but me  
Hot, damn, let me tell you, man  
She look so good, I'ma say it again  
So good that I can't explain  
When she do what she do she gon' do her thang  
Over here, Miss Lane  
Come on, get fly with a Superman  
You ain't gotta worry, I won't play no games  
Baby, tonight  
So don't front  
You know you wanna stay  
It's all fun  
So baby, come and play  
It's picture perfect the way you work it, girl  
What's your purpose?
