

# Chris Brown, Gotta Be Ur Man

Gotta be your man, I gotta be your man  
I gotta be your man  
Man, I gotta be your man, I gotta be your man  
I gotta be your man  
Gotta be your man, one  
'Cause you look so good, two  
'Cause you look so good, three  
'Cause you look so good, next  
Gotta be your man  
'Cause I know you a boss chick  
I know that me your top, bitch  
Won't lie, I kinda like it, yeah  
'Cause it's so hard to find somebody like you, girl  
With a face and a booty like you, girl  
Your qualities are true girl, ooh girl  
I promise I wrote this here song for you, girl  
The words are talkin' 'bout you, girl  
I ain't lyin', this is true, girl, oh, girl  
Before, oh, oh, oh, you, girl, you, girl  
I was always in the club  
Got every chick to give it up, oh  
Before, oh, oh, oh, you, girl, you, girl  
Before my life was, oh, so crazy 'til I met you  
Now I gotta be your man, I gotta be your man  
I gotta be your man, I gotta be your man  
Man, I gotta be your man, I gotta be your man  
I gotta be your man  
I know you think it's bullshit what I'm sayin', girl  
But I'm real with what I'm sayin', girl  
And I'm not just tryin' to get you girl, yeah  
'Cause I can get a lot of chicks  
The baddest women on my dish  
When it comes to you, I must admit  
They ain't got dish on you, girl  
'Cause it's so hard to find somebody like you, girl  
With a face and a booty like you, girl  
Your qualities are true girl, ooh girl  
I promise I wrote this here song for you, girl  
The words are talkin' 'bout you, girl  
I ain't lyin', this is true, girl, oh, girl  
Before, oh, oh, oh, you, girl, you, girl  
I was always in the club  
Got every chick to give it up, oh  
Before, oh, oh, oh, you, girl, you, girl  
Before my life was, oh, so crazy 'til I met you  
Now I gotta be your man, I gotta be your man  
I gotta be your man, I gotta be your man  
Man, I gotta be your man, I gotta be your man  
I gotta be your man  
I gotta, I gotta, I gotta be  
I gotta, I gotta, I gotta be  
I gotta, I gotta, I gotta be your man  
I gotta be your man, I, oh, I  
Before, oh, oh, oh, you, girl, you, girl  
I was always in the club  
Got every chick to give it up, oh  
Before, oh, oh, oh, you, girl, you, girl  
Before my life was, oh, so crazy 'til I met you  
Now I gotta be your man, I gotta be your man  
I gotta be your man, I gotta be your man  
Man, I gotta be your man, I gotta be your man  
I gotta be your man, girl, I gotta be your man now
