

Chris Brown, I Can Transform Ya

Go hey lil' mama, I can transform ya
No, I can't dance but I can dance on ya
Swizz on the beat, Chris move ya feet
And baby, I can transform your him to a me
I can change your life, make it so new
Make you never want to go back to the old you
Ciroc and lime, give it a lil' time
And she gon' transform like Optimus Prime
Need a ride, I can Range you up, money, I can change you up
You can ride your own, no longer be the passenger
Swag low, I build you up, knees, we can stand you up
Red lips, red dress, like 'em like a fire truck
What you need, you can have that
My black card, they don't decline that
See potential in ya, let me mold that
I can transform ya, I can transform ya
I can transform ya, I can transform ya
Anything ya want, I can, I can get it for ya
You're my baby girl, so you know I get it for ya
I can trans, I can trans, I can transform ya
Shoes you got it, bags, you got it
Cars, you got it, money, you got it
I can transform ya, I can transform ya
Anything you want I can, I can get it for ya
See it in a video, you can have it really though
Iced out everything, freeze you like an Eskimo
Wanna fly, we can go anywhere you wanna go
Jimmy Choo's in Italy, Louis V in Tokyo
Something like Pinocchio, if you lie down I'mma grow
Wanna see me do it big, I can show you how it goes
Take you from an amateur to being professional
I can have you swag surfing
What you need, you can have that
My black card, they don't decline that
See potential in ya, let me mold that
I can transform ya, I can transform ya
I can transform ya, I can transform ya
Anything ya want, I can, I can get it for ya
You're my baby girl, so you know I get it for ya
I can trans, I can trans, I can transform ya
Shoes you got it, bags, you got it
Cars, you got it, money, you got it
I can transform ya, I can transform ya
Anything you want I can, I can get it for ya
Alright, I can transform ya like a Transformer
I can turn you from a human to a Carter
Take you off the bench, turn ya to a starter
Then take you home and put you on a charger
Then my car transforms to a charter
And we can fly to wherever you ever thought of
I take you to where it's warmer
Then I gotta rip off your dress like a warm up
But I'm just getting warmed up
So tell your man he better get his Voltron up
I transform her to a Ducati
Then I transform me to a Bugatti
'Cause her form puts me in a trance
I transform smaller and she puts me in her pants
Swizz on the beat, Chris move ya feet
And Weezy transform a good girl to a freak
I can transform ya, I can transform ya
Anything ya want, I can, I can get it for ya
You're my baby girl, so you know I did it for ya
I can trans, I can trans, I can transform ya

Shoes you got it, bags, you got it
Cars, you got it, money, you got it
I can transform ya, I can transform ya
Anything you want I can, I can get it for ya
