

Chris Brown, Oh Baby

lately ive been throwin hints around it
ive been tryin ta get you to (ooo)
tryna get you ta talk about it (what do i gotta do ta)
get you to see (see)
them otha dudes (they aint me)
they wanna show you the same thing youve already seen□□
i know you gotuh 'notha drive in ya (ooo baby)

((Chorus))
Oh baby (oh baby)
Girl i know your otha man
musta heard you so baby (so baby)
(ut oh utoh utoh)
(tell me why) you got me on hold baby (hold baby)
can you just give me the chance
shoulda hadya before baby (oo baby)
give it a chance (girl one mo'gain)

Whateva happened before ya had me
girl that dont matter no mo'
and i dont wanna lie and say ima take it away

when i know i wont
(girl i kno i can make you forget about it)
i can show you how to live
(here with out it)
i go hard in the paint
girl it aint whatcha think
please believe that i can do it (ooo)

((Chorus))

I know you heard it all before
(so baby ima just get right to it)
and if u let it flow out
(ill give it to you)
and make u see that
im what you need in your life
lemme show you how to do it right (ooo)

((Chorus))
