Weak

I had been crying and crying for weeks  
How'd I survive when I could barely speak?

Barely eat, on my knees

But that's the moment you came to me

I don't know what your love has done to me

Think I'm invincible

I see through the me I used to be

You changed my whole life

Don't know what you're doing

To me with your love

I'm feeling all superhuman you did this to me

A superhuman heart beats in me

Nothing can stop me here with you

Superhuman

I feel so superhuman

Superhuman

I feel so superhuman

Superhuman

Strong

Since I been flying and righting the wrongs

Feels almost like I had it all along

I can see tomorrow

Where every problem is gone because

I flew everywhere with love inside of me

It's unbelievable to see

How love can set me free

You changed my whole life

Don't know what you're doing

To me with your love

I'm feeling all superhuman you did this to me

A superhuman heart beats in me

Nothing can stop me here with you

Superhuman

I feel so superhuman

Superhuman

I feel so superhuman

It's not a bird, not a plane

It's my heart and it's going gone away

My only weakness is you, only reason is you

Every minute with you I feel like I can do anything

Going, going I'm gone away! Love!

You changed my whole life

Don't know what you're doing

To me with your love

I'm feeling all superhuman you did this to me

A superhuman heart beats in me

Nothing can stop me here with you
