With ya cute smile and your dimples and (shhhh)  
I'll whisper in your ear and kiss you like this  
I want your body girl I ain't gon lie so  
What I got to lie for I just want to say Oh

(CB)

Yo,  
Tell me fellas have you seen her? (Seen her)  
It was about five minutes ago  
When I seen the hottest chick  
That a young'n  
Never seen before  
I said Yo,  
Tell ya girls I want to meet her (meet her)  
On a second thought that ain't the way to go  
I got give her game proper  
Spit it so she get it  
There she is I got to stop her  
Or should I talk about her smile? (It's been said before)  
Or what about her style? (Too obvious)  
I'm out of time  
She's out the door  
I got to go for mine  
I think I'll say

(Chorus)

Yo  
I dont know your name but excuse me miss  
I saw you from across the room  
And I got to admit that you got my attention  
You're making me want to say yo  
I know you're trying to leave but excuse me miss  
I saved the last dance for you  
How I'd love to keep you here with me oh baby

(CB)

Now shorty grab hold of my hand  
And let's pretend the floor is ours  
You say you don't really dance

Don't worry about it  
We'll just 1,2 step  
1,2 step  
Now if the music is moving too fast  
Grab my hand a little tighter (tighter)  
Don't be afraid to move a little closer  
Girl, there is something about you that makes me want to say

(Chorus)

Yo  
I don't know your name but excuse me miss  
I saw you from across the room  
And I got to admit that you got my attention  
You're making me want to say yo  
I know you're trying to leave but excuse me miss  
I saved the last dance for you  
How I'd love to keep you here with me oh baby  
(Repeat)  
I think ill say yo I don't know your name but excuse me miss  
I saw you from across the room  
And I got to admit that you got my attention  
You're making me want to say yo  
I know you're trying to leave but excuse me miss  
I saved the last dance for you  
How I'd love to keep you here with me oh baby

(CB)

I want to be where you are  
Ain't nothing wrong with dancing  
Baby your so romantic  
Baby I can be in your heart  
So many things I want to tell you  
I think that I should start by saying

(I1)

Yo,  
Break the beat for a minute  
Slow down lets speak for a minute  
Slow Jams you got me all in it  
You smiling cause' you getting deep feelings  
Looking in your eyes I can see your heart  
And by surprise I really done played my part  
Now I know that I got you girl  
I know it's there everytime I look at you girl  
and say..

(Chorus)

Yo,  
I don't know your name but excuse me miss  
I saw you from across the room  
I got to give her game proper  
Spit it so she get it  
There she is I got to stop her  
I know your trying to leave but excuse me miss  
I saved the last dance for you  
How I'd love to keep you here with me oh baby
