

Chris Brown, You

You you you you you
You you you you you
You you you you you
You you...you you you

[Verse 1]

Hey mama have you seen a chic
Whos body`s `bout as good as it gets
Oh yeah this cutie was thick
I ain`t never seen a girl like this
With so much class and so much hips
Got me feeling right
And I ain`t worried about the things she do
Cuz she the type that don`t need a crew
And I can tell it by the way she smiles
Swagga`s bad, can`t be mad
Let`s get close tonight

[Chorus]

The craziest body
Exotic little mami
She got curves in the back
Sexy eyes to match
What`s missing with that?
Her smile lights up the room
And she ain`t got no attitude
I wouldn`t say if it wasn`t true
I`m talking about you

[Verse 2]

So baby now you know the deal
Don`t be frontin tell a nigga what`s real
Come on baby tell me how you feel
Cause the temperature`s rising
(Getting excited)
Oh mama I`m getting ready to jump up on it
Don`t get it twisted cuz babygirl you know I want it
And I know you really wanna be my woman
Girl, I`m talking about you

[Chorus x2]

The craziest body
Exotic little mami
She got curves in the back
Sexy eyes to match
What`s missing with that?
Her smile lights up the room
And she ain`t got no attitude
I wouldn`t say if it wasn`t true
I`m talking about you

[Outro x2]

You you you you you
you you you you you
you you you you you
you you...
I`m talking about you

[Chorus till fade]
