

# Chris Cagle, Play It Loud

Hey, hey turn up that song  
I think about you when it comes on  
And I get lifted off the ground  
And when you're in my arms  
I feel the beat down in my heart  
It makes my world spin around  
So come on, baby, you know the moment's right  
Yeah, take me by the hand  
And we can rock away the night  
I wanna dance till the break of day  
To the music that we make  
There's never been a sweeter sound  
I wanna wake the neighbors  
Make the headlines in the mornin' paper  
No, I don't wanna turn it down  
'Cause there's nothin' like the rhythm of love so play it loud  
You're like a melody  
And girl it gets all over me  
When you move the way you do  
And, ooh, when I feel your touch  
Then it gets to be too much  
You know it puts me in a mood

Come on baby, yeah, don't be shy  
Just open up your heart and hold on tight  
I wanna dance till the break of day  
To the music that we make  
There's never been a sweeter sound  
I wanna wake the neighbors  
Make the headlines in the mornin' paper  
No, I'm not gonna turn it down  
'Cause there's nothin' like the rhythm of love so play it loud  
So come on baby, you know the moment's right  
Yeah, take me by the hand  
And we can rock away the night  
I wanna dance till the break of day  
To the music that we make  
There's never been a sweeter sound  
I wanna wake the neighbors  
Make the headlines in the mornin' paper  
There ain't no way to turn it down  
'Cause there's nothin' the rhythm of love  
There's nothing like the rhythm of love so play it loud
