Chris Cornell, Billie Jean

She was more like a beauty queen from a movie scene I said don't mind, but what do you mean I am the one Gonna dance on the floor in the round She said I am the one who will dance on the floor in the round

She told me her name was Billie Jean, as she caused a scene Then every head turned with eyes that dreamed of being the one Gonna dance on the floor in the round

People always told me be careful of what you do Don't go around breaking young girls' hearts And mother always told me be careful of who you love Be careful of what you do 'cause the lie becomes the truth

Billie Jean is not my lover She's just a girl who claims that I am the one But the kid is not my son She says I am the one, but the kid is not my son

For forty days and forty nights The law was on her side But who can stand when she's in demand Her schemes and plans Gonna dance on the floor in the round So take my strong advice, just remember to always think twice Do think twice

She told my baby that's a threat As she looked at me Then showed a photo of a baby cries Eyes would like mine Gonna dance on the floor in the round,

People always told me be careful of what you do And don't go around breaking young girls' hearts She came and stood right by me Then the smell of sweet perfume This happened much too soon She called me to her room

Billie Jean is not my lover She's just a girl who claims that I am the one But the kid is not my son So take my strong advice, just remember to always think twice Do think twice
