

Chris Cornell, Someone To Die For

Before you landed, I had a will but didn't know what it could do
You were abandoned, and still you're handing out what you don't wanna lose
You make me drop things, like all the plans I had for a life without you

Someone to die for
someone to fall into when the world goes dark
Someone to die for
someone to tear a hole in this endless night
Someone like you

I'm drunk when sober, the room is spinning - you are what I hold onto
You're taking over, I find that giving in is the best I can do

Someone to die for
someone to fall into when the world goes dark
Someone to die for
someone to tear a hole in this endless night
Someone like you

Someone to die for
Someone to die for
Someone to die
Someone, someone, someone
Someone to die for
someone to fall into when the world goes dark
Someone to die for
someone to tear a hole in this endless night
Someone, someone like you
