

# Chris De Burgh, In Love Forever

There's an angel crying up in Heaven tonight,  
And I've got the Devil in my heart,  
Because I keep on saying things that I don't mean,  
And it's tearing us apart;

There's a wild wind blowing in the desert tonight,  
Oh how I long to feel the rain,  
And let it wash away these lonely tears,  
And bring us back again,  
'Cos it's a different world when I look into your eyes,  
You're the nearest thing that I have seen to Paradise,  
And I know with you I will be in love forever;

There's a stranger waiting deep in every heart,  
To say the crazy things we say,  
But I promise you he won't be back,  
To steal your dreams away;

So come up close and put your sweet hand in mine,  
I'm gonna hold you all night long,  
And if you wake up I will be here,  
To tell you that I love you;

'Cos it's a different world when I look into your eyes,  
You're the nearest thing that I have seen to Paradise,  
And I know with you I will be in love forever,  
...forever;

Yes, it's a different world when I look into your eyes,  
You're the nearest thing that I have seen to Paradise,  
And I know with you I will be in love forever,  
Yes I know with you I will be in love forever;

It's a different world,  
It's a different world,  
It's a different world,  
In love forever;

There's an angel crying up in Heaven, Heaven, Heaven...
