## Chris De Burgh, In Love Forever

There's an angel crying up in Heaven tonight, And I've got the Devil in my heart, Because I keep on saying things that I don't mean, And it's tearing us apart;

There's a wild wind blowing in the desert tonight,
Oh how I long to feel the rain,
And let it wash away these lonely tears,
And bring us back again,
'Cos it's a different world when I look into your eyes,
You're the nearest thing that I have seen to Paradise,
And I know with you I will be in love forever;

There's a stranger waiting deep in every heart, To say the crazy things we say, But I promise you he won't be back, To steal your dreams away;

So come up close and put your sweet hand in mine, I'm gonna hold you all night long, And if you wake up I will be here, To tell you that I love you;

'Cos it's a different world when I look into your eyes, You're the nearest thing that I have seen to Paradise, And I know with you I will be in love forever, ...forever;

Yes, it's a different world when I look into your eyes, You're the nearest thing that I have seen to Paradise, And I know with you I will be in love forever, Yes I know with you I will be in love forever;

It's a different world, It's a different world, It's a different world, In love forever;

There's an angel crying up in Heaven, Heaven, Heaven...
