

# Chris De Burgh, You And Me

The time has come for me to take my bows and leave the stage,  
But I feel I'm just beginning,  
There's so many things I want to say before I go,  
But I'll be back, to sing again;

And I'll lead you through the ancient halls and stories of the past,  
And the many ways of loving,  
And when all is said and done, there's only you and me,  
You and me...
