

Chris Duarte, What Can I Do?

Yeah, here I am
What can I do?
You got a strange man
Hangin' onto you
Now there I go
Out on the road
You've run up bills
So I've got to make me some dough
What can I do?
What can I do?
'Cause over you
You know that I love you
(Cause)
Only you
I'd do anything for you
And now I'm home
A brand new day
And here you come
Askin' me for my pay
I wonder why
You treat me this way
I think I'll lay me head down
And cry all night and day
What can I do?
What can I do?
'Cause over you
You know that I love you
(Cause)
Only you
I'd do anything for you
Our life is wrecked
Our love is through
And I am so, so tired
Of cryin' over you
You hurt my head
You've hurt me so
But I love you so much
I never ask you to go
What can I do?
What can I do?
'Cause over you
You know that I love you
(Cause)
Only you
I'd do anything for you
Oh, you know that's true
So, so true
