

# Chris Garneau, Hands On The Radio

Hands on the radio.  
We left too soon.  
We left you in the afternoon.  
I hurt somebody.  
I love you too.  
I love you underneath the moon.  
I love you underneath the moon.  
This town is my favorite and I promise I'll come back.  
Girls, I promise you.  
Boys, I promise you too.  
With hands on the radio, we'll get there soon.  
We'll get there in the afternoon.  
Fans in the stadium, they leave too soon.  
They always leave in the afternoon.  
They always leave in the afternoon.  
This town is my favorite and I promise I'll come back.  
Girls, I promise you.  
Boys, I promise you too.  
This town is my favorite and I promise I'll come back.  
Girls, I promise you and boys, I promise you too.
