

Chris Isaak, I Got It Bad

She was the only one I ever wanted
She was the only one that I ever had
She was the only one I ever trusted
I got it bad oh I got it bad
She was the only one that ever loved me
She said to give it all I gave it all I had
She was the only one that really hurt me
Oh oh I got it bad

Oh I still love her ohh oh I got it bad
She was the only one I ever trusted
She was the only one I thought I had

She was the only one that I ever wanted
She was the only one I thought I had
She was the only one that really hurt me
Oh I got it bad oh I still love her
Oh oh I got it bad she was the only one I really loved
She was the only one, the only one I ever had
She was the only one, the only one I ever had
