

Chris Isaak, This Love Will Last

If I had to tell now the way I feel about you I'd say nothing.
'Cause when I try to tell how I feel you know I'd only end up crying.
This love will last. This love will last.

Remembering back times now I know these bad times could never last forever.
Wiser men than me have told me what to do when hurt and I'd forgive her.
This love will last. This love will last.

So take your hand and put your hand in mine and tell me,
that you'll never leave me, forever, together, two lovers for forever.
This love will last. This love will last.

If I had to tell now the way I feel about you I'd say nothing.
'Cause when I try to tell how I feel you know I'd only end up crying.
This love will last. This love will last.
This love will last.
