

# Chris LeDoux, Grange Hall Dance

Have you ever been down to a country dance  
And listend to the music of a hillbilly band  
And danced with your darlin' all through the night  
And don't go home til the morning light  
Well if you ain't you don't know what your missing  
Laughter and dancin' a huggin' and a kissin'  
Everybody there's just havin' a ball  
A dancin' all night at the old Grange Hall  
The people they come from miles around  
The ranchers farmers folks from town  
There's bald headed men and old fat women  
Kids in their teens and little bitty children  
So put on your boots and stomp on the floor  
And have more fun than ever before  
Man we're really havin' a ball  
A dancin' all night at the old Grange Hall

Well, the sun's comin' up and it's time to go home  
The band they're playin' that final song  
Everyone's leavin' and sayin' good night  
But you're lookin' forward to next Saturday night  
So put on your boots...  
So put on your boots...
