

# Chris LeDoux, Hooked On The 8 Second Ride

Rollin down a long highway  
Out through New Mexico  
Driftin down to Santa fe  
To ride a bull in a rodeo  
He's hooked on a feelin  
Addicted to a natural high  
Don't know why it's appealing  
All he knows is he's got to ride

Chorus:

He's addicted to danger  
Ruled by passion and pride  
To pain and fear he's no stranger  
But his lust need to be satisfied  
Hooked on an 8 second ride  
Gettin up down in back of the chutes  
Makes that rosin burn  
He's got his spurs on the heels of his boots  
He's at the point of no return  
Climbin over that chute gate  
He settles down inside  
The tension's risin but he can't wait  
Untill they turn that bull out side

CHORUS

He's addicted to danger  
Ruled by passion and pride  
To pain and fear he's no stranger  
But his lust need to be satisfied  
Hooked on an 8 second ride  
Hooked on an 8 second ride  
Hooked on an 8 second ride
