## Chris LeDoux, Hooked On The 8 Second Ride

Rollin down a long highway Out through New Mexico Driftin down to Santa fe To ride a bull in a rodeo He's hooked on a feelin Addicted to a natural high Don't know why it's appealing All he knows is he's got to ride Chorus: He's addicted to danger Ruled by passion and pride To pain and fear he's no stranger But his lust need to be satisfied Hooked on an8 second ride Gettin up down in back of the chutes Makes that rosin burn He's got his spurs on the heels of his boots He's at the point of no return Climbin over that chute gate He settles down inside The tension's risin but he can't wait Untill they turn that bull out side CHORUŚ He's addicted to danger Ruled by passion and pride To pain and fear he's no stranger But his lust need to be satisfied Hooked on an8 second ride Hooked on an8 second ride Hooked on an8 second ride
