

Chris LeDoux, Shot Full Of Love

Once I had a heart cold as ice love to me was only for fun
I'd make a mark for each broken heart
Like notches on the butt of a gun
Once I had a trick up my sleeve and a reputation all over town
I was heartless and cold wherever I'd go
I shot down every young girl I found
Yes I used to be a moonlight bandit I used to be a heartbreak kid
Then I met you and the next thing I knew
There I was oh shot full of love

Now who'd have thought that someone like you could take a desperado like me
But oh here I am I'm as meek as a lamb
With my bleeding heart there at your feet
Yes I used to be a moonlight bandit...
Yes I used to be a moonlight bandit...
