## Chris Martin and Ariana Grande, Don't Look Back

Slip inside the eye of your mind Don't you know you might find A better place to play You said that you'd once never been All the things that you've seen Will slowly fade away

So I start the revolution from my bed Cos you said the brains I have went to my head Step outside the summertime's in bloom Stand up beside the fireplace Take that look from off your face You ain't ever gonna burn my heart out

So Sally can wait, she knows its too late as we're walking on by Her soul slides away, but don't look back in anger I hear you say

Take me to the place where you go Where nobody knows if it's night or day Please don't put your life in the hands Of a Rock n Roll band Who'll throw it all away

So I start the revolution from my bed Cos you said the brains I have went to my head Step outside the summertime's in bloom Stand up beside the fireplace Take that look from off your face You ain't ever gonna burn my heart out

So Sally can wait, she knows its too late as we're walking on by Her soul slides away, but don't look back in anger I hear you say

Don't look back in anger Don't look back in anger Don't look back in anger At least not today
