

Chris Rea, As Long As I Have Your Love

The word you send today
From somewhere far away
Cut in deep to the bone
Though I am not with you now
I feel you close somehow
Too many days, so far from home
And I send my dream to you
And I will go on
As long as I have your love

I see your candle burn,
You wait for my return
I feel your shadow in the night
The question still remains, oh love its still the same
Oh I'll get by,
Don't you know I'll be alright
As long as I have your love
