

Chris Rea, I Don't Know What It Is But I Love It

Could it be just that I'm crazy
Could it be the way I feel this time of year
When a certain situation seems to bring the best out of me
I don't care

When she's standing close beside me
Something turns inside me
Brings my senses to the point of no return

And I don't know what it is but I love
And I don't know what it is but I want it to stay
And I love it

And it seems to be around me
Even though no-one can see
They seem to care
When a certain situation seems to bring the best out of me
I don't care

When she's standing close beside me
Something turns inside me
Brings my senses to the point of no return

And I don't know what it is but I love
And I don't know what it is but I want it to stay
And I love it
