

Chris Rea, I'm In My Car

I'm in my car
I got my telephones and radio
This is my home
I have learnt to love and live
The only way I know
And I don't want to change a thing
This is my world you are sitting in
I got a fax so I press send
Send a message to my DJ
A message to my DJ
'Cos he's my best friend
I'm in my car

And I am happy here
Even though the fools will never know
I got peace in here
My private world and endless
Stop and go

And I don't want to change a thing
This is my world you are sitting in
I got a fax so I press send
Send a message to my DJ
A message to my DJ
'Cos he's my best friend

I'm in my car

Safe from my boss
Safe from all the gumbos
That I hate so much
Its not G.T.
Its not all about you think
That you may see
Oh it's not about what you think
You see
I'm safe from my family. ...
I'm safe
I'm safe

I'm in my car

I'm happy here

I'm in my car
