Chris Rea, On The Beach

Between the eyes of love I call your name Behind the guarded walls I used to go Upon a summer wind there's a certain melody Takes me back to the place that I know Down on the beach

The secrets of the summer I will keep The sands of time will blow a mystery No-one but you and I Underneath that moonlit sky Take me back to the place that I know On the beach

Forever in my dreams my heart will be Hanging on to this sweet memory A day of strange desire And a night that burned like fire Take me back to the place that I know On the beach
