

Chris Rea, Sail Away

Walk a cold thin line
in the morning
Hold the fear inside
that greets you with the day

I can't go with you now
I can only watch you now
As you sail away
Sail away

I'm going to miss you now
So much more then I realised
There's a heavy stone of empty
where you once lay

I can't go with you now
I can only watch you now
Watch you
As you sail away

Sail away
I know you need your freedom
Sail away
Cause without it you can't survive
Be on your way
disappear into the distance
I smile and say
Sail away

I can't go with you now
I can only watch you now
Watch you
As you sail away
