

Chris Rea, Slow Dance

Well I screamed at mama,
What's that stuff going on
Yeah I screamed at mama
Where did that feeling come from
She said son I don't know what it is
But I know that's where you belong
Mama looked at me,
She smiled me a sunny day
Yeah mama looked at me
Took all my fear away
She said son now I know for sure
What you gonna do one day

It's a slow dance,
Dance of the rythm and blues
It's a slow dance,
Dance of the rythm and blues
Now I screamed at mama,
Mama tell me where did you go
Yeah I screamed for my mama,
Mama tells me what you come to know
I was born with this feeling
And it ain't going to let me go

It's a slow dance,
Dance of the rythm and blues
It's a slow dance,
Dance of the rythm and blues
