

Chris Rea, Someday My Peace Will Come

Someday
My peace will come
Oh I know
My peace will come
I will sleep like a child without pain
Without fear
Like a smile in the afternoon sun
Oh someday
My peace will come
Lord can you hear me
Oh I know you know my name
It's written in the tears
That flow from my pain

Broken hearted broken soul
All my life on the run
But someday
Yeah someday
My peace will come
Someday
My peace will come
