

Chris Rea, Three Angels

Nine dollars, two cents
No money, no rent
8759 that's the number
Be on time
Bring something, don't care
Whatever, be there
Good woman, good loving, good feeling
Three angels

Eight castles, wants nine
Unhappy all the time
Gold headlights, can't see
Sure could help him, feel free
Five aces, no calls
Easy action on the walls
One burning, two custom, all waiting
Three angels

Burns, Hofner, white flats
All together feeding back
No mixer, no lights
Good fixer, be all right
Dream wishing, downtown
In the windows, locked sound
One burning, two custom, all waiting
Three angels
