

# Chris Rice, Smellin

Last thing I remember, sayin' bye to yesterday  
Glad to see it over, pullin' covers over my head  
What were you doin' while I dreamt the night away?  
'Cause I can tell that somethin's different  
And my eyes ain't even open yet  
I'm smellin' coffee, birds are singin' just outside  
Here comes your mercy streamin' in with the mornin' light  
My heart is racin', wakin' up to your smile  
It's a good morning, it's a good morning  
Well I remember readin' you're the God who never sleeps  
While I've been dreamin' you've been singin' over me, yeah  
Singin' about my freedom, wakin' me up to hear your song  
And now I can't dance hard enough  
'Cause yesterday is gone, gone, gone  
I'm smellin' coffee, birds are singin' just outside  
Here comes your mercy streamin' in with the mornin' light  
My heart is racin', wakin' up to your smile  
It's a good morning, it's a good morning  
Every little breath, heartbeat  
Is a gift of love that you give to me  
You keep givin' even when I'm asleep  
'Cause I know you never stop watching over me  
I wake up, my past is gone  
'Cause your mercy's new with the mornin' sun  
I'm forgiven, I'm free, it's a brand new day  
'Cause your faithfulness is the greatest  
I'm smellin' coffee birds, are singin' just outside  
Here comes your mercy streamin' in with the mornin' light  
My heart is racin', wakin' up to your smile  
I'm smellin' coffee, birds are singin' just outside  
Here comes your mercy streamin' in with the mornin' light  
My heart is racin', wakin' up to your smile  
It's a good morning, it's a good morning  
It's a good morning, it's a good morning  
Good morning  
Good morning  
Good morning
