## Chris Squire, You By My Side

You know I love you I can't be without you When I'm alone, I still feel this way about you Everything's clear Here is here And everything is as it appears to be so

Here am I dreaming I stand by myself Look and it's easy to see that I'm not the only one reaching for a new kind of wealth Reaching with nothing to hide And you by my side

You know we love you We can't be without you When we're at home, we still feel this way about you Everything's clear Here is here And everything is as it appears to be so,

Here we are dreaming
We stand by ourselves
Look and it's easy to see that
We're not the only ones reaching for a new kind of wealth
Reaching with nothing to hide
And you on our side
