

# Chris Whitley, Accordingly

Businessmen like babes, lay sleeping on the lawn  
Cops are standing naked, breaking into song  
If I took her now as the one for me  
Could effect a change accordingly  
Statesmen and salesmen bend to kiss the ground  
Lawyers and losers hold hands and hang around  
If I took her now as the one for me  
I could effect a change accordingly  
What if I would place my trust in you  
If I had no doubt the way I do?  
I could take you now as the one for me  
Could effect a change accordingly  
Could effect a change accordingly
